

# LOCH ARTHUR CAMPHILL COMMUNITY

*A Life of Many Colours*

We are a small land-based Community working with adults with learning disabilities and offer a rich experience, living and working in a beautiful part of south-west Scotland.

We attempt to live and work together in a way that recognises the dignity and uniqueness of each human being and does not distinguish between those who require support and those who give that support. We aim to create an enlivening and caring environment for all who live here.

Our workshops include a farm, garden, creamery, bakery, weaving workshop, woodwork shop, as well as a thriving farm-shop and café. Each year we welcome volunteers from all over the world to support our life in Loch Arthur.

Many of these volunteers are taking a gap year after school, others are looking for a change in life, practical experience for further education or inspiration for different ways of living.

If you are interested in learning more about us, please contact: [volunteering@locharthur.org.uk](mailto:volunteering@locharthur.org.uk)
